# SHAREBOT SnowWhite

## technical specification SnowWhite

Laser Power	14 wat co2
temperature range	up to 200 C degrees
laser speed range	up to 3,000 mm sec
scan spacing	100 mm x 100mm
scan precision X Y	100 micron
layer Z	from 50 micron
print speed in Z	up to 30 mm hour
tank powder	1,3 liter
power max cosuption	1 kw
dimension	500x500x800 mm
weigt	60 kg
certication in progress	CE
